Patently Enabled November 2024 – Common Misconceptions About Patents

The purpose of this monthly series Patently Enabled is to share simplified patent-related information to assist non-patent practitioners in making the best decisions when considering their intellectual property rights.

In the November edition of Patently Enabled, George Chaclas and Emily Ferriter Russo dispel some of the common misconceptions about patents.

For any patent-related comments, questions or other inquiries, please contact registered patent attorney George Chaclas.
