Day Pitney Partner James Rotondo, Counsel Steven Cash, and their former colleague Kaitlin Canty authored the chapter, "Regulating Cannabis Products," in the second edition of *Product Liability Litigation, Current Law, Strategies, and Best Practices, published by Practicing Law Institute*.

The second edition provides comprehensive legal, technical and strategic knowledge that can help maximize an attorney's ability to prevail in consumer product liability cases. It also covers trends in product claims and defenses, strategies for managing and resolving product litigation and particular issues and tactics that can arise in different types of product cases. Every chapter is written by lawyers who represent both plaintiff and defense perspectives.
